TAYA S ENCHANTED TUTU: THE TAMING OF THE BLACK HEARTS (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Hannah Yap (illustrator). Language: English . Brand New Book ***** Print on Demand *****.A brilliantly illustrated tale of a little girl, her dog, and an enchanted tutu. In the still of the night, Taya and Bentley embark on a venture to a different world. But what s an adventure without dragons, pirates and evil queens? With a sprinkle of Fairy Dust and the magic of the tutu, Taya must save them with her mesmerizing dance! But is it enough to tame the black hearts of these villains and escape the danger? Come join the excitement and be whisked away with Taya, Bentley and the Enchanted Tutu. My girls loved how putting trust in the magic tutu made the villains gentle and happy! Also, the story made Jayda and Callie wonder if it was all a dream or not? Excellent book! - Desiree Neumeier Good story! What an adventure Taya and her dog have. My granddaughter Clara (age 4), exclaimed, Super cool, I want a tutu like that! - Gail Randell-Library Clerk I found this book very intriguing, as it keep me curious from beginning to end. It was very suspenseful as you wondered what the dragon, pirate and queen would do to Taya and Bentley! The words rhyme together and match each picture. The illustrations are fantastic and this book can be enjoyed by all age groups. It takes children into a state of can this really happen? or wow, if I have a tutu will it be a magic one like Taya s? I would recommend this book to anyone who has, works, or is involved with children. It s a captivating story of a child and her dog going through and adventure together!- Shannon LeClair-Early Childhood Educator.
