Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

MEMORIES OF A LONG LIFE IN VIRGINIA (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Memories of a Long Life in Virginia The writer of these pages is now nearly eighty years old. She has been an unusually close and intelligent observer, and her memory is wonderfully vivid and accurate. She is one of the few people now living who knew well Stonewall Jackson before the War between the States, and General Robert E. Lee, and his family, when General Lee lived in Lexington after the war, as president of Washington College. Some of the friends of Mrs. Moore have thought that her recollection of these great men, and of other prominent people and events, were worthy of a permanent record, and at the insistence of these friends, this little book has been written. It is printed just as dictated by her, without editing, and it will doubtless be found that her original, and at times quaint style, will add much to the interest and attractiveness of the narrative.
