I m Glad You Know Me! - A memoir of Love, Fate, and Forgiveness shares the life s story of a woman who came close to dying three times, bore the intense pain, disappointment and embarrassment of becoming pregnant while in high school, passed through the trials of difficult and painful relationships, and who by God s grace grew to know His abiding presence and loving care. Phyllis Barker-Pittman began writing her memoir decades earlier and has found the perspective offered by time passing, a blessing. Enduring trials has given her an insight on the importance of loving, forgiving and restoring painful, broken relationships. Do not give up, Love, find your Fate, and above all Forgive!
