BooksMango. Paperback. Condition: New. 72 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Whether you are an individual looking for a job or you are a freelancer looking for your next project, it is important to establish a LinkedIn presence online. This book is designed to provide you with the steps that you need to take in order to establish yourself on the LinkedIn. The main purpose of establishing yourself on social media is to provide you with more exposure. On top of that a positive social media presence can help you can creditability in your industry and become the expert in your field. In addition, social media provides an excellent way to engage with prospective recruiters or clients. It is also a great way to engage with your recruiters, current customers, providing them with excellent content on your service so that they will return to your profile or business again and again. This book will be your guide for building up your social media authority across the most popular social media platform namely LinkedIn. You will learn how to set up your profile and increase your online presence throughout these platforms. Once you have established yourself on this you will then learn how to automate posts so that you can spend less time working on your social media network and more time on the content and other strategies that are necessary for improving your online presence. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
