## IT'S NEVER TOO LATE TO GROW UP

DOWNLOAD

Plain View Press, United States, 2010. Paperback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Cele Keeper's memoir, *It's Never Too Late to Grow Up*, an unflinchingly honest and irreverent history of a life well lived, is an enthralling read. Ms. Keeper never extinguishes the bright light of her candor. From the death of a beloved child to the vicissitudes of aging, she is never an object of pity. Rather, to borrow from the hilariously unforgettable quote of Meg Ryan's eavesdropping neighbor in *When Harry Met Sally*, I've like to have what she's having! Elizabeth B. Knight, LCSW, CGP, Immediate Past President, American Group Psychotherapy Association Take a very intimate journey with Cele through a landscape of relationships and a lifetime of personal development. Her observations tickle and touch, her frank and playful words evoke discoveries made in moments small and large, and love in its many guises is always close at hand. She dares to convey important lessons learned over time in psychotherapy, the ones that open us to the other side of our stories about self and others and that ultimately free us to experience life with greater clarity and tolerance. This is an inspiring, thought-provoking and certainly entertaining memoir. David Hawkins, MD, Psychiatrist in Private Practice *It's Never Too Late To Grow Up* is a wonderful journey into the human experience through the eyes and wit of an extraordinary person. Short stories ranging from an orangutan at the zoo hurling a large wad of tobacco spittle on her mother's fur coat to wonderful verses (my favorite: This is It, an ode about Cele's power struggle with her two cats!) create honest moments for self-introspection. You will close this book with...
