Language: English Brand New Book ***** Print on Demand *****.Excerpt from Proceedings of the Conference for Education in the South: The Sixth Session; Richmond, Va., April 22d to April 24th, and at the University of Virginia, April 25th; 1903 The delay in the publication of the present volume has been due to the fact that the work of revision fell largely within the vacation period, when some of the contributors were inaccessible to the mails. It is hoped that the publication will prove not merely a record of the proceedings of the Conference, but a serious and permanent contribution to the subject of public education in the Southern States. The notes of the stenographer have been followed somewhat closely. Some of the informal expressions from the platform, and some of the indications of applause, have been retained. The retention of these more passing phases of expression has been due to the fact that these pages are not the mere records of an impersonal and scholastic discussion, but the printed memorial of a very vital and vivid occasion. With especial reference to the indications of applause, it may be said that what a representative audience heartily approves is often quite as significant, to the serious student of popular movements, as what the speaker says. On the evening of Sunday, the twenty-sixth of April, there was held in the Academy of Music, at Richmond, a memorial service in commemoration of the life and public activities of the late Dr. J. L. M. Curry. The addresses delivered on this occasion will be found in the appendix to this volume. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
