Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a unique book about some of the UK s most notorious child killers over the past 50-60 years and examines their background, their killings, how and why they were caught, and their convictions. It also looks at some potential victims who had a very lucky escape, and at many unsolved murders linked to the five evil and despicable killers highlighted. The book also re-examines fresh evidence that could lead to further convictions against these individuals using the latest DNA, forensic or evidence revelations, and discovers several other unexplained disappearances, and unsolved crimes, that may now link to some of the murderers featured. The list of horrific murderers include ROBERT BLACK, the Midlands Triangle killer; RONALD JEBSON, the Babes in the Wood, triple murderer; RAYMOND MORRIS, the Monster of Cannock Chase, and IAN BRADY and MYRA HINDLEY, the Moors Murderers responsible for the brutal killing of five innocent youngsters.
