LIBERTARIANISM: A POLITICAL PHILOSOPHY FOR TOMORROW

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 213 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.LIBERTARIANISM by John Hospers The Original Book that Inspired the Worldwide Political Movement John Hospers on What Libertarianism Is: 1) No one is anyone else s master, and no one is anyone else s slave. 2) Other people s lives are not yours to dispose of. 3) No human being should be a non-voluntary mortgage on the life of another. Dr. Hospers sees these as three versions of the same absolute right of personal liberty. In other words, assuming we are talking about mentally-able individuals, no person can make their life better by reducing the liberty of another person. For the same reason that slavery is wrong, it is equally wrong to involuntarily deprive others of their time or money. The basic human rights of life and liberty cannot exist without a right to property. The benefits I create for myself are MINE, and to take them away (or to make me work for another s benefit without my consent) is wrong. RIGHTS are ONLY to be understood as involving duties of forbearance or restraint. In other words, so-and-so s right to property is nothing more than the duty that others have to refrain from taking that property for themselves. Rights belong naturally to us. Rights are not something given to us by governments. Rights are claims that we make AGAINST governments! If I have a right to benefit from my own labor, then the government is wrong to take any of those benefits from me without my consent. The only proper role of government . is that of the protector of the citizen against aggression by other individuals. Because governments has the role of...
