

Sean O'Casey's Dublin Trilogy: A closer look on how social settings and political events interact with the characters and lead to certain features in their portrayal

Book Review

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modifying the way I really believe.

(Prof. Vanessa Smitham V)
