Travelers from all over the world flock to the region blessed with an eternal summer, warm temperatures, majestic mountains, beautiful beaches, and affordable yet tasty cuisine. But seasoned intrepid travelers know that there is more to Southeast Asia than these countries. They know that there is a destination recognized by only a few, a place that still boasts of many undeveloped islands, a country whose popularity has grown by word of mouth within traveler communities. This is how I found out about the Philippines, the so-called Pearl of the Orient. Sitting in a bar one early evening in an island in Vietnam, I was talking to some backpackers who I made friends with during that trip. They told me that they ve just come from the Philippines, just a few hours flight away, which had the most amazing scenery they ve encountered during their Asian sojourn. Their eyes gleamed with delight as they told stories about the places, people, and the food. The Philippines and all her 7,107 islands has remained the biggest secret of Asia, known only to the most intrepid and adventurous of travelers. However it s quickly becoming the vacation hotspot of choice. Unlike its Asian neighbors the Philippines still has numerous unspoiled beaches, breathtaking outdoor scenery, majestic...
