

Minorities and Criminality (Paperback)

By Ronald B. Flowers, Ethel Brown, R. Barri Flowers

ABC-CLIO, United States, 1990. Paperback. Condition: New. New edition. Language: English . Brand New Book ***** Print on Demand *****.Minorities and Criminality provides a cameo of valuable information about the relationship between minority status and criminality and the interaction of minorities with the criminal justice system. A key strength of this book is that it provides a great deal of insight into the proclivities of different minority groups to engage in different types of criminal behavior. This book would make an excellent source for persons newly becoming acquainted with the nature, scope, and dynamics of minority crime and victimization. Criminal Justice Review Minorities and Criminality examines the relationship between being a racial or ethnic minority member of American society and a victim or perpetrator of crime. The examination focuses specifically on blacks, Hispanics, Native Americans, and Asians—minority groups which in one way or another have been most affected by criminality and victimization. This exceptional volume explores historical mistreatment of these minority groups, current trends in victimization, patterns in criminal behavior, arrest and imprisonment among minority group members, theoretical models in criminality, differential enforcement of the law, and future implications in addressing minorities and criminality. Specific topics addressed include present trends in minority...

Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Mr. Stone Kunze**

This book might be worth a read, and far better than other. It is rally interesting through studying time period. I discovered this book from my i and dad suggested this ebook to find out.
