Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Gives in clear, simple language, definitions of all important terms and phrases used in the investment and banking business; also a classification of investment bonds and a chapter on the distribution of securities. -Moody s Magazine, Volume 19 The Investors Primer is the fifth volume in the set published by The Moody Corporation under the general head of The Investors Library. It is an attractive volume and because of the field which it covers is really of great practical value to the investor. Following an interesting introductory chapter which consists of a general outline or description of the investment field, the book contains alphabetically arranged definitions of all the various terms and phrases used in the financial and investment markets, and a full description of the entire mechanism and machinery of investing. All the terms and phrases, many of which are not clearly understood by some brokers themselves, are here clearly and simply defined. In addition to this, the book embraces a section devoted to descriptions of the various issues of preferred and guaranteed stocks which are generally classed among high grade investment issues. -The Bankers Magazine, Volume 77.
