POSITIONING: THE BATTLE FOR YOUR MIND

McGraw-Hill Education on Brilliance Audio, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. One of the most important communication books I've ever read. Positioning also shows you how to: use leading ad agency techniques to capture the biggest market share and become a household name; build your strategy around your competition's weaknesses; reposition a strong competitor and create a weak spot; use your present position to its best advantage; choose the best name for your product; determine when--and why--less is more; and, analyze recent trends that affect your positioning. Ries and Trout provide many valuable case histories and penetrating analyses of some of the most phenomenal successes and failures in advertising history. Revised to reflect significant developments in the five years since...
