Charisma Community Formation In Medieval Japan:Case of The Yugyo-Ha.- Pa (Paperback)

By Thornton

Cornell University East Asia Program, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. The Yugyo-ha achieved success by basing its religious authority on a combination of Pure Land mysticism and the practices of fundraising hijiri. Between 1300 and 1700, the Pure Land Buddhist religious order known as the Ippen school Yugyo-ha (later the Jishu) established itself as the leading representative of nembutsu propagation in Japan. The theme of the order s history is the development of religious authority as a result of the struggle to normalize relations among the official head, sometimes obstreperous religious, and often interfering (usually warrior) lay patrons. This study demonstrates the value of the articulation in organizational studies of Weber s concept of charisma as a successful social relationship as well as that of a chosen career determined by culture and tradition. Indeed, the success of the Yugyo-ha was due to its ability to seize on the advantages of combining the principles and practices of two existing traditions, Pure Land mysticism and the fundraising hijiri movement.

Reviews

A brand new e-book with an all new perspective. It typically fails to cost an excessive amount of. I am effortlessly can get a satisfaction of reading a composed book.

-- Turner Bayer

These types of publication is the ideal ebook readily available. It can be loaded with wisdom and knowledge Its been developed in an extremely simple way and it is just following i finished reading through this publication in which actually altered me, affect the way i believe.

-- Ms. Lura Jenkins
