Inspiring Aspiration. Paperback. Condition: New. This item is printed on demand. 106 pages. Dimensions: 7.8in. x 5.1in. x 0.2in. How full is your cup Is your cup half full, or half empty Sometimes we may feel our cup is completely empty, or other times overflowing to the extent we cant cope. Just like a refreshing cup of tea, Storm in a Teacup offers a chance to pause, reflect and feel ready to face the world, energised and positive for the future. Develop a positive outlook on life, whatever your current mindset - however full or not your cup is! In this book, Christopher John explores our outlooks on life, questioning the benefits of viewing your cups fullness and emptiness at different times. Filled with humour, insight, wit and wisdom in equal measure, Storm in a Teacup wont try to persuade the pessimist, or reason with the realist, but it will highlight the significance of those mindsets in your life. Perfect for dipping into when feeling stuck in any particular mood, every reader will find a chapter that aligns with their current frame of mind. Without judgement, Christopher John expertly invites the reader to be aware of their situation, and offers thinking exercises and practical activities to plan for your future, attain your aspirations, or just have confidence in yourself at any stage of life. You can learn how to be happy. You can develop the habits of highly effective people. These things take time, and that starts with giving yourself time to ask the right questions, and find the right answers for you. Storm in a Teacup is the perfect book for the optimist, pessimist, realist and everyone who feels they fall into another category entirely. It is an essential quick read if you find your outlook on life directly impacts...
