Xulon Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Homosexuality, the hot-button issue of the millennium, is boldly and honestly discussed in this new book by Christian author and ex-gay activist Anthony Falzarano. Mr. Falzarano spent 9 years in the gay lifestyle, and discusses in detail how God delivered him out of it. Anthony does not believe that anyone is born gay. While looking for answers in regards to his own struggle, he began to uncover a plethora of lies and deception that the well-funded pro-gay lobbyists organizations had planted in the media. This book blows the roof off the political gay agenda in America, but in a kind but poignant way. Falzarano does not believe that homosexuals have a choice in their initial orientation (because it is inflicted upon the child early in life). However, believes that the homosexual struggler has the power from God to reject this false-identity and choose not to be gay. He emphasizes that patience and compassion be extended to the struggler, but grieves over the politically motivated gay lobbyists that are affirming millions of young people into the lifestyle through its lies. Mr. Falzarano is considered to be an expert on homosexuality and since 1988 has devoted his life s work to the ex-gay movement. Anthony has ministered to over 600 former homosexuals and their families; since founding Parents and Friends Ministries (PFM), which is located in West Palm Beach, FL. The PFM website can be found at [parentsandfriends.20m.com](http://parentsandfriends.20m.com). He is used as a subject matter expert by nationally known media such as CBS, CNBC, BBC, NET, Salem Broadcasting, The Washington Post, The Washington Times, Newsweek Magazine, C-Span and USA Radio Network. He has addressed different family protection organizations such as Concerned Women for...
