Filesize: 7.88 MB

Reviews

*A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

New Era Publications, Denmark, 1993. Hardcover. Book Condition: New. Dust Jacket Condition: New. Reprint. This book is in its original shrink wrapping. Handbook for Preclears is the legendary self-processing manual that marks the transition from the subject of Dianetics to Scientology. Here are the breakthroughs that revealed the phenomenon of the LIFE CONTINUUM - a mechanism by which every individual takes on the disabilities of the deceased or departed, until they are no longer living their own life. Here, then, are the answers to getting rid of all those parts of "you" that aren't really YOU. The book includes: Expansive essays providing the most complete description of The Ideal State of Man - The Human Mind, how it operates and its underlying purpose - The Control Center, the "awareness of awareness" unit of the mind, and how it is CAUSE of the body and environment - The Fifteen Acts of self-processing that move an individual from EFFECT to CAUSE - processe; so powerful that this book is now known as the book of miracles This workbook edition of Handbook for Preclears has been specifically designed for ease of use in processing, with space provided to answer processing questions and resulting in a permanent and complete record of one's own case for use in future processing. In self-processing, Handbook for Preclears is used in conjunction with Self Analysis. Quantity Available: 1. Category: Philosophy; Self Help & Motivation. ISBN: 8778161789. ISBN/EAN: 9788778161789. Inventory No: 12020267. This item is in stock in our Australian warehouse. We are not dropshippers.
