Reviews

It is a single of my favorite ebook. It can be packed with knowledge and wisdom I am just happy to tell you that this is basically the finest ebook i have got study in my very own lifestyle and may be the greatest pdf for actually.
(Dr. Jaquan Goodwin Jr.)

AGE OF ORDER (PAPERBACK)

Plebeian Media, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Readers will be transfixed by this novel - Kirkus Reviews (Starred Review) Daniela Machados can run. She s the track star of Bronx City and an ace student, but that isn t enough for a nope like her to get out of the barrio. The Orderist movement has spawned a society that rewards those who supposedly possess merit, which includes America s wealthiest. Manhattan has become the capital of the forty-nine Orderist-led states, while California suffers under an economic embargo. Cities such as Manhattan have become cocoons where the so called highborn enjoy the pleasures of farm-grown food and private parks, while their outwardly perfect children are protected by floating nanny-like drones that follow them everywhere. Daniela has grown up fighting for the chance to attend college beyond the desperation of Bronx City. The chance to attend the elite Tuck School-a place where even the highborn struggle to obtain a spot-is too great an opportunity to ignore. But what do the richies really want from her? Daniela is thrust into a world very different than the one she expected, a place where both treachery and honor are camouflaged behind beautiful faces. Intrigue and peril soon engulf her, and Daniela learns those at society s apex will stop at nothing to preserve their so-called order, but their enemies are no less ruthless. Betrayal is everywhere, but it is a girl from Bronx City who holds the future in her hands. Daniela may have a chance to change the world, if it does not change her first. Hailed by Kirkus Reviews as the novel to revitalize the dystopian genre, Age of Order has the atmosphere of Blade Runner, the intrigue of Orphan Black and the...
