Your attention is called to the fact that we have built a new building for colored pupils, and made improvements in the other school buildings, out of the school fund. We have also extended the school course and added special departments of Drawing and Writing, Manual Training, Sight Singing and Voice Culture. We have endeavored to make our schools as good as those of any city in the country, and we think we have been successful. The school authorities appreciate the interest you have shown in the schools by making annual visits and inspecting the work and property, as well as in providing for their support.
