## SOCIAL MOVEMENTS TRANSFORMATIVE SHIFTS AND TURNING POINTS

Routledge India, New Delhi, 2014. Hardcover. Book Condition: New. 388 pp. This book examines a variety of themes that have determined the course of the politics of transformative struggles. The essays critique neoliberalism, 'primitive' accumulation, money, class inequalities, as well as aspects of capital/labour conflict. The volume highlights the contributions of movements by women, dalit and marginalized communities; peace movements; and environmental and agrarian struggles. It also appraises the role of internet in grassroots mobilizations and that of civil society networks in the making of participatory democracy.
