iUniverse. Paperback. Condition: New. 270 pages. Dimensions: 9.2in. x 6.4in. x 0.8in. An Oreo Me No! I've been just an average guy who's had a pretty good life. SO-Who wants to read my autobiography? If I'm an unknown, almost nobody, right? Well, this autobiography is different, because it has a unique and illuminating story to tell. Its primary task is to explore the social climate and the dynamics of social change in the U. S. during most of the 20th Century. It also explores the idiosyncratic needs of individuals and groups that create and/or resist social change. I had always felt the imperfections in how whites and blacks interacted in our country. But not until the assassination of Martin Luther King, my uneasiness in a segregated society suddenly re-ignited my awareness of the disparities. That startling realization sparked and fueled my efforts to rectify the social ills. Taking advantage of my love of people, my life experiences and my education, I write this to help bring about an inclusive, more diverse society. My background has helped me realize that all people have the same concerns in life. That background and knowledge didn't make me an OREO. It made me a human being. Bill's story is fascinating. It is captivating simply as an autobiography but it also presents a unique insight into race relations in America from the view of an Oreo. I think readers, both black and white, will find it interesting, edifying and inspiring. Roy Armstrong, Editor and Advisor, told quite an amazing and touching story here. Characters are real people and have been well defined throughout the story. Realistically presented. --its fascinating to view this part of our national heritage through his eyes. Comments by: P. Elizabeth Collins, President, Gardenia Press. This item ships from multiple locations. Your book...
