Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Second Reading-Book in the Primary School, Vol. 1: Designed to Follow the Reading Lessons of My First School-Book AN indispensable quality of a school-book is its adjustment to the power of the learner. This is pre eminently true of a Primary School reading-book and by the power of the learner, is meant not merely his ability to pronounce the words, but also to give them vitality and beauty, by expressing the thoughts and feelings which they are intended to convey. The lessons, therefore, should be those which can be made intelligible to the child, and in which he can take a lively interest. Their scenes and language should be so natural and vivid, so identified with his own knowledge, conceptions, and feelings, that, while read ing from the book, he shall seem to himself, and to others also, to be giving utterance to that only which is fresh from his own mind and heart. In addition to this, in selecting and preparing the materials for the present series of books, so far as they relate to reading, the aim has been to have them furnish a suitable variety of exercises in every department of juvenile elocution; and thus to aid the young learner, as well as the printed page can do it, in becoming an ao accomplished young reader. It should be borne in mind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
