Oxford University Press Inc, United States, 2013. Hardback. Book Condition: New. 236 x 102 mm. Language: English . Brand New Book. It played a prominent role in nearly every major court decision related to sexuality and also reached beyond the courtroom to promote its agenda through grassroots activism, political action, advertising campaigns, and public education. Thanks to its work, abortion and birth control are legal, coerced sterilization is rare, sexually explicit material is readily available, and gay rights are becoming a reality. Using rich archival sources and interviews with major players, How Sex Became a Civil Liberty tells the story of the men and women who built the legal foundation...
