Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Illustrated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Mary Shelley s Frankenstein, and the numerous movies inspired by it all have one thing in common: the title. Beyond the name, Hollywood s green monster and Shelley s creation are a world apart. There are no cheap thrills in Shelley s Frankenstein, and the book has remained popular for nearly two centuries because it truly belongs with the classics. Shelley s message is more powerful today than ever, as mankind grows closer to bringing her nightmare to reality. In a world of cloning and gene splicing, where man plays God on a daily basis, we should all take heed of the Frankenstein s lesson. Prepare to be surprised by this novel, it is a one-of-a-kind, in style and content. Cryptic illustrations, provided by Richard Moyer, spark the imagination without spoiling the images of the mind s eye.
