Pearson, 2017. Loose-leaf. Condition: New. 4th ed.. Language: English . Brand New Book. NOTE This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(TM) and Mastering(TM) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For undergraduate courses in corporate finance or financial management. Help readers practice and connect to real-world financial decisions Fundamentals of Corporate Finance offers a practical introduction to modern-day core principles, arming readers with a problem-solving methodology, real-life financial management practices, and an overarching valuation framework that they can apply in their future careers. Updated with new examples, exercises, and statistics, the 4th Edition gives individuals the opportunity to practice and apply concepts, while connecting them to the latest financial issues and policy in today s world of business. Also available with MyLab Finance MyLab(TM) Finance is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
