Excerpt: . . . 11 would work in pairs or small groups and software that was conducive to student-based, project-based learning. We have ongoing staff development, which is very important. We meet 1 day a month, at least, and often 3 to 4 days during the summer. My position is to provide the staff development for the teachers, assist them in planning and integration and be available daily in the classrooms with the teachers and students. The evaluation of our grant is done by the Metiri Group of Los Angeles, California. They are looking to establish a correlation between project activities and student learning. They are also measuring the impact of this project on the educators vision for the role of technology in the curriculum, advances in teacher proficiency using teaching strategies involving technology and changes in the learning environment. We have had many successes in this first year...
