

## Practical Artistry: Light and Exposure for Digital Photographers

By Harold Davis

O'Reilly Media, Inc. USA. Paperback. Book Condition: new. BRAND NEW, Practical Artistry: Light and Exposure for Digital Photographers, Harold Davis, You may be passionate about photography, and own a digital SLR with perhaps more advanced equipment as well. But do the photographs you take with this powerful equipment come out as well as you'd like? With this fascinating and beautifully illustrated book, you learn how to apply the techniques and principles of classic photography so you can make great images with today's digital equipment. Harold Davis, author and renowned fine art photographer, puts the focus in Practical Artistry on light and exposure, two crucial concepts you need to understand and master if you are to truly capture the images you see. Davis presents a generous number of his own images in each chapter, complete with technical information and an explanation of what he was trying to achieve. These striking photographs not only illustrate the lesson at hand, but also serve as inspiration for your own efforts. Browsing the photographs alone will tell you a lot. The topics covered in this book include: camera, lenses, and equipment; understanding exposure and measuring light; relationship of aperture to shutter speed and ISO; working with...
