As a teen, he suffered a personal tragedy witnessing his father s suicide which culminated into trauma-related, stress-induced health problems affecting his mind and body. However, he found solutions, and to our benefit, he shares his secret recipe to life through his writings. His first book The Experiential Approach: A Fresh New Approach For Creating Immediate Personal Power is designed to enhance life experiences. It is about how we can make positive changes in our behavior and thought processes by examining our...

### Reviews

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*
