Reviews

*Absolutely among the best book We have ever study. It is actually writter in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.
(Kristina Rippin)*

3 HEADS A TAIL (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ebook version published on July 28, 2012. Written for NaNoWriMo 2011 (writing a book in one month), this quirky comedy contains some romance, a touch of fantasy and a very opinionated dog. When nature lover Josie moves into a house share with two pals, dreamer Ben and model man David, she sees it as a short stop and doesn't bank on an attraction developing with one of them. Meanwhile, Ben's dog, Glen, has the hots for Miss Posh, the beautiful golden Labrador in the park. When dog meets dog it's puppy love, but a complication leads to Glen taking matters into his own paws. In this comedy of errors, romance and walkies, it's anyone's guess who is going to win the girl/dog and live happily ever after. Appropriate for readers over 16. This is not a children's book. A humorous love story of a different kind, mostly seen through the eyes of Glen, the tail owner, and written with unusual wittiness and ability. (Annarita Guarnieri) Oh my gosh this is a funny book. I hate to harp on the topic of how the dog made the story, but I think he did. (Ey Wade) Laugh out loud funny. (Donna Brown) Glen has now replaced Buck as my favorite doggie character in a novel. Ms. Johnstone's characters are all wonderfully developed and she does an amazing job giving doggie voice to Glen and Mimi. (PDX Author).
