Moribund Tales is raw and visceral, these stories will keep you up at night. - Paul Kane These horror stories read like sharp, hard blows to the gut. Grab it and give it a read. - John F. D. Theyre the sort of stories one might hear in a tent late at night, accompanied by the flicker of a solitary flashlight. - Wicked Channel These tales of dark fiction have a true Gothic style tone to them, with influences from Poe and Stoker very much alive, mixed with the writers own unique twist. - The Strange and the Curious The anthology does work as a...
