Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Was Jonathan Edwards always--or ever--the stalwart and unquestioning Reformed theologian that he is often portrayed as being? In what ways did his own conversion fail to meet the standards of his Puritan ancestors? And how did this affect his understanding of the divine being and of the nature of justification? *Becoming Divine* investigates the early theological career of Edwards, finding him deep in a crisis of faith that drove him into an obsessive lifelong search for answers. Instead of a fear of God--which he had been taught to understand as proof of his conversion--he experienced a surprising, amazing joy. Suddenly he saw the divine being in everything and felt himself transported into a heavenly world, becoming one with the divine family. What he developed, as he sought to make sense of this unexpected joy, is a theology that is both ancient and early modern--a theology of divine participation rooted in the incarnation of Christ. Endorsements: Withrow s fascinating look at Edwards incarnationalism is must reading for Edwards scholars. By tying Edwards Spirit-Christology to his doctrine of the Spirit s role in binding believers to Christ, helping them understand the Scriptures, and thereby helping them participate in the very life of God, he has developed a reading of Edwards that will generate fresh thinking about this quasi-mystical sage and his variations on such crucial theological themes for years to come. --Douglas A. Sweeney Trinity Evangelical Divinity School In *Becoming Divine*, Brandon Withrow has provided a masterful explication of Edwards s understanding of the intricate relationship between what the Bible is and what conversion does, between Biblicism and union with Christ. Withrow places Edwards s work carefully and accurately within the broader...
