

Believe and Grow Smart: 7 Fun, Easy-To-Follow, Classroom Tested, Reading Strategies to Help Your Child Improve Over a Grade Level in Reading

By Noel Morales M Ed

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to Believe and Grow Smart. This represents 18 years of hard work, experience and the efforts of my incredible team, students and their families I have served under many capacities, teachers I have supported and clients. Maybe you re one of them! Usually, clients come to me to seek help because their children are behind in one or more subject areas and they need help now. Their children have run into personal challenges at a very young age about their beliefs. They have run into limiting beliefs and have created obstacles in their own minds that they feel are insurmountable. They have recurring thoughts in their mind that they are dumb. That they can t read. That they are not good at math. Most of these thoughts are continuously playing in their minds all day long in school and have a significant impact on their learning. Let me ask you some questions that I ask my clients. If you could find a way to help your children build their academic self-confidence right now, this month, would you...
