## THE MADNESS OF JULIA BLOOM (PAPERBACK)

Lemming Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Julia Bloom takes early retirement from academia and leaves a comfortable and secure life in Sydney for an indefinite sojourn and study time, with no return date, in the Italian city of Florence in the early nineteen nineties. She meets up again with an old acquaintance aptly named Virgil and while love is in the air she also comes to understand that this city does not live up to her expectations in ways she had not contemplated previously. Fate intervenes and takes her to assist an old friend in Palermo and her time there proves both terrorising and life threatening as she finds herself embroiled with the local Mafiosi. Society and the roles of men and women have irreversibly changed even though ideals of love and marriage remain embedded and the wedding day itself an extravaganza. Through the adventures of Julia Bloom the reader will note her oddities and strange determination, her weaknesses and her great strength of character. Now in the twenty first century she signifies a modern Venus, she has the strength of Diana the Huntress, she is a self healer, a witch perhaps who would have once been burnt at the stake. She is all thinking, given to anxiety and she is just a little mad as most of the best women will admit...
