

Witches, Midwives Nurses: A History of Women Healers

By Barbara Ehrenreich

Feminist Press. Paperback. Condition: New. 112 pages. Dimensions: 7.3in. x 5.2in. x 0.3in. As we watch another agonizing attempt to shift the future of health care in the United States, we are reminded of the longevity of this crisis, and how firmly entrenched we are in a system that doesn't work. *Witches, Midwives, and Nurses*, first published by The Feminist Press in 1973, is an essential book about the corruption of the medical establishment and its historic roots in witch hunters. In this new edition, Barbara Ehrenreich and Deirdre English have written an entirely new chapter that delves into the current fascination with and controversies about witches, exposing our fears and fantasies. They build on their classic exposés on the demonization of women healers and the political and economic monopolization of medicine. This quick history brings us up-to-date, exploring today's changing attitudes toward childbirth, alternative medicine, and modern-day witches. Barbara Ehrenreich is author of the New York Times bestsellers *Nickel and Dimed* and *Bait and Switch*, and, most recently, *This Land is Their Land*. Deirdre English, the former editor of *Mother Jones*, is a professor in the Graduate School of Journalism at the University of California, Berkeley. This item ships from...

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.
-- **Art Gislason**

Very good e-book and beneficial one. I am quite late in starting reading this one, but better than never. I am effortlessly able to get a pleasure of looking at a written book.
