Whereas that book provided a ready toolkit for referees to flesh out starports with ships, crews and passengers, Supplement 15: Powers and Principalities does the same with the forces and organizations that control the planets players land upon - the corporations, governments and religions. Not all participating democracies will be identical. Each will have its own eccentricities and nuances. The same applies to the corporations players will take jobs for or purchase from. Not all agricultural companies are run the same way, after all. By...

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
