The Living Fire: The Soul Power of the Universe

By Jessie Rogers

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the FOREWORD. From times ancient beyond conjecture the restless spirit of man has been seeking to discover, if possible, the real source of being -the how and the why, the whence and the whither of existence, but it is a problem that has been ever elusive to his finite understanding, for the finite cannot grasp the infinite. The great majority of the human race are so occupied with the outer and meaningless forms, so prone to follow after the material and fleeting pleasures of life that they fail to come in touch with the inner sense of things and seldom catch even a gleam of that innermost light which illuminates the darkness that envelops them. Yet in all ages, and in every nation and clime there have always lived a few gifted souls who were able to peer beneath the material envelope, there to unveil the mysteries of Nature and behold the glories of the Divine. These inspired ones have given expressions to the wonders they have discovered in language so sublime that we...

Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was writtern really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be he finest ebook for ever.

-- Miss Lavonne Grady II

The book is great and fantastic. I could comprehended almost everything using this published e publication. I am just very happy to explain how here is the very best ebook i have study inside my very own existence and could be he greatest book for ever.
