

System of Clinical Medicine: With Notes and a Series of Lectures (Classic Reprint)

By Robert James Graves

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 788 pages. Dimensions: 9.0in. x 6.0in. x 1.6in. Excerpt from System of Clinical Medicine: With Notes and a Series of Lectures Since the last edition of Dr. Graves's lectures was published in this city, a new one, considerably enlarged, has been published by Dr. Graves, in Europe: from this edition the present one is printed. It contains the whole of the lectures, which make a very large volume; but some detached papers which were not printed in the former editions, and were first published in the present one, are not reprinted. These essays the publishers will probably issue in a separate form. The demand for a new edition is the best proof of the high character these lectures have gained in the United States, and of the very extended reputation they have justly attained. The additional lectures, which, at the request of the publishers, were appended to the last edition of the work, have been revised, and some new matter on the subject of Typhus Fever has been added. The lectures were originally delivered as a part of a clinical course, or rather of several clinical courses, at the Philadelphia Hospital,...
