Berghahn Books. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Thinking Utopia: Step into Other Worlds, Jörn Rüsen, Michael Fehr, Thomas Rieger, ".a highly readable and structured discussion about utopian thinking at the beginning of the 21st century .It is indeed fortunate that political scientists, historians, philosophers, art critics, and literary theorists have come together to share their thinking on utopia and utopian thought at this disastrous moment of human history, when many are asking if there is a future to which to look forward." - European Legacy After the breakdown of socialist and communist systems in the East, it became fashionable to declare the so-called "end of utopia" ("end of history," "end of narratives"). The authors of this volume do not share this view but think that it is time to rehabilitate utopian thought. The political concept of Utopia that has given its name to these transcendental projections onto the world has been too narrow to describe and analyze the moving forces of the mind perceiving human existence beyond reality. By broadening the perspectives of utopian studies, these essays enable the reader to reconstruct scholarly paradigms and strategies of utopian, complex and holistic thinking in modern cosmology, philosophy,...
