The 9 to 5 Window (Paperback)

By Os Hillman

Fleming H. Revell Company, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Believers are called to make disciples, but what does that look like for those of us who aren't called to full-time ministry? In his classic work on vocation, Os Hillman shows us the incredible transformation that can occur when we stop viewing work as a means of paying the bills and start seeing it as a means of freeing people from bondage and giving those around us (and ourselves) purpose and meaning in life and work. Using Moses as an example of a person who learned to view his work from an eternal perspective, Hillman shows how we all can experience transformed lives, workplaces, cities, and nations.

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
