

The Oxford Handbook of Philosophy of Religion (Paperback)

Filesize: 3.99 MB

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE OXFORD HANDBOOK OF PHILOSOPHY OF RELIGION (PAPERBACK)

To read **The Oxford Handbook of Philosophy of Religion (Paperback)** PDF, you should click the web link beneath and download the document or gain access to additional information which are related to THE OXFORD HANDBOOK OF PHILOSOPHY OF RELIGION (PAPERBACK) ebook.

Oxford University Press Inc, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. The philosophy of religion as a distinct discipline is an innovation of the last two hundred years, but its central topics—the existence and nature of the divine, humankind's relation to it, the nature of religion and its place in human life—have been with us since the inception of philosophy. Philosophers have long critically examined the truth of (and rational justification for) religious claims, and have explored such philosophically interesting phenomena as faith, religious experience and the distinctive features of religious discourse. The second half of the twentieth-century has been an especially fruitful period, with philosophers using new developments in logic and epistemology to mount both sophisticated defenses of, and attacks on, religious claims. The Oxford Handbook of Philosophy of Religion contains newly commissioned chapters by 21 prominent experts who cover the field in a comprehensive but accessible manner. Each chapter is expository, critical, and representative of a distinctive viewpoint. The Handbook is divided into two sections. The first, Problems, covers the most frequently discussed topics, among them arguments for God's existence, the problem of evil, and religious epistemology. The second is called Approaches and contains four essays assessing the advantages and disadvantages of different methods of practicing philosophy of religion. The Handbook offers contributors of high stature who present substantive and in-depth treatment of the most central topics. It is a must-have reference for anyone with an interest in philosophy and religion.
