

## Queens of Noise: The Real Story of the Runaways (Hardback)

By Evelyn McDonnell

INGRAM PUBLISHER SERVICES US, United Kingdom, 2013. Hardback. Condition: New. New. Language: English . Brand New Book. In four years the teenage members of the Runaways did what no other group of female rock musicians before them could: they released four albums for a major label and toured the world. The Runaways busted down doors for every girl band that followed. Joan Jett, Sandy West, Cherrie Currie, lead guitarist Lita Ford, and bassists Jackie Fox and Vicky Blue were pre-punk bandits, fostering revolution girl style decades before that became a riot grrrl catchphrase. The story of the Runaways has never been told in its entirety. Drawing on interviews with most of this seminal rock band's former members as well as controversial manager Kim Fowley, Queens of Noise will look beyond the lurid voyeuristic appeal of a sex-drugs-rock n roll saga to give the band its place in musical, feminist, and cultural history.
