Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

On one dramatic voyage he deals with broken bones and broken hearts, and picks up the pieces after fights in the crew bar and freak accidents on shore leave. So join Ben and his colleagues and find out why ship's doctors think bar stools should carry health warnings, why the casino can be safer than the sick bay in a storm and why no amount of sharks, pirates or tidal waves will ever be as dangerous as the midnight buffet.
