It could be due to serving in the military, accidents, deaths, or abuse. There are many other causes. Whatever the cause, God wants to heal you. Nothing is impossible with Him. Lean on Him, and talk to Him. He will direct you through this process. He directed me, and He will direct you. I am free, and you will be free also. All things are possible with God. I know that miracles have happened to me, and they can happen to you! The medical profession treats PTSD with medicines. I believe that PTSD is a spiritual battle especially for those who have served in the military in non-Christian areas. Curses have been placed on our service men and women from the religious hierarchies in those areas. When our soldiers were in those countries, they fought not only physically but spiritually as well.
