Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Brf (the Bible Reading Fellowship), United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. This collection of 18 undated reflections draws comfort and encouragement from the Bible and from the author s own experience for those going through life-limiting illness and for their family and carers. With moving vulnerability and without denying the difficult reality of the situation, Rachel Boulding suggests a way to confront terminal illness with faith and hope in a loving God. Facing Death grew out of the overwhelming response to Rachel s Bible notes in New Daylight (May-August 2016). Readers recognised in her comments her courage to be authentic in the face of terminal illness, her appropriate vulnerability and her faith.
