Reviews

Certainly, this is actually the best function by any article writer. It is actually writer in straightforward words and never confusing. Your life period is going to be convert once you total looking over this ebook.
(Mrs. Yolanda Reilly V)

THE CONTEMPORARY REVIEW, VOL. 73: JANUARY-JUNE, 1898 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Contemporary Review, Vol. 73: January-June, 1898 This is the substance of an address delivered not long ago by a young Slav. If it were the fancy of a single brain it would not be worth noticing; but as it is, in fact, the dream of more than a hundred million brains in Europe, it has some interest for those who are to be regenerated by the coming of the Slav. Englishmen and Americans used to have such dreams, and somehow, without much wisdom or much conscious direction on the part of their rulers, these dreams have got themselves fulfilled in a measure. If we have failed to establish a truly Christian civilisation in the world, and left something for the Slav to do, it is, perhaps, our fault; but we have certainly done something towards the evolution of society. If we hear less of these dreams now, it is because we have found that the renovation of the world was a bigger job than we had counted upon. The Latin races had certainly failed to realise their dreams when the Teutonic races took up the work and put new life into it. Know the Slav can complete it, so much the better for us and the world. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
