*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

## THE APPLE PHOTOS BOOK FOR PHOTOGRAPHERS (PAPERBACK)

Rocky Nook, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Apple s Photos for OS X app was designed from the ground up to help you organize, edit, and share your pictures and videos. While the interface appears simple, finding the hidden nuances of Photos is not so straightforward. There s more to this app than initially meets the eye. For photographers who are more than just casual snapshotters, or who are making the transition from Aperture or iPhoto, The Apple Photos Book for Photographers by Derrick Story shines a light on the true sophistication of this app and the ecosystem it taps into. From the point of view of a working photographer, Derrick provides everything you need to know to get the most out of the imaging tools built into Mac OS X and iCloud. Follow along with Derrick as he teaches you all about: ? Customizing the interface for organizing and viewing your images ?The thinking behind viewing options such as Moments, Collections, Years, and Albums ?Working with iCloud Photo Library to sync your photos across your devices ?Adding location data to your images so you can map your travels with your photos ?Editing your images with Photos basic tools, yes, then going beyond with more advanced techniques ?Integrating third-party Editing Extensions into your workflow so you can build a digital darkroom tailored to your style of photography ?Creating projects such as books, cards, calendars, prints, and slideshows--and showing you how to create your own Fine Art Cards at home with just your Mac and an inkjet printer. ?Working with videos as well as still photos ?Sharing your images on social media sites such as Facebook, Twitter, and Flickr Apple s Photos is a robust, all-in-one solution for managing, editing, and sharing your photos. And...
