

Religion and the Rise of History: Martin Luther and the Cultural Revolution in Germany, 1760-1810 (Paperback)

By Leonard S Smith

Wipf Stock Publishers, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: As a historical inquiry and synthesis, this intellectual history is the first study to apply the ideal-type or model-building methodology of Otto Hintze (1861-1940) to Western historical thought or to what R. G. Collingwood called The Idea of History, for it contains succinct and useful models for seeing and teaching classical, Christian, and modern professional historiography. Religion and the Rise of History is also the first work to suggest that, in addition to his well-known paradoxical, simul, and/or at-the-same-time way of thinking and viewing life, Martin Luther also held to a way that was deeply incarnational, dynamic, and/or in-with-and-under. This dual vision and a Lutheran ethos strongly influenced Leibniz, Hamann, and Herder, and was therefore a matter of considerable significance for the rise of a distinctly modern form of historical consciousness (commonly called historicism) in Protestant Germany. Smith s essay suggests a new time period for the formative age of modern German thought, culture, and education: The Cultural Revolution in Germany. This age began in the early 1760s and culminated in 1810 with the founding of the University of...
