Westminster/John Knox Press,U.S., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. In this easy-to-read book, pastor Jack Haberer helps you seek God s will for your life. You ll move from deep theological considerations to street-level, daily-life practicalities- and you ll learn to chart a course through life s complexities, guided by the Scriptures, in the company of the church. My only complaint is that it wasn t available thirty years ago! -Brian D. McLaren, author, speaker, and activistJack Haberer s It s Complicated helps Christians figure out what to do when life gets complicated and the distinctions between good and bad are not so clear. Using Bible passages as a guide, Haberer affirms and then challenges many closely held beliefs, making traditional distinctions between conservative and liberal Christians obsolete. It s Complicated harks back to Joseph Fletcher s twentieth-century classic Situation Ethics (Westminster John Knox Press) and gives readers a toolkit for Christian decision making in a variety of complex situations. The book provides a framework for readers to reference when they re confronting moral dilemmas in their own lives, what Haberer calls doing ethics by spreadsheet.
