By Trisha Sugarek

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bertie, the bookworm is the fabled forest's elder and teacher. Every week he has a spelling and reading circle where everyone is welcomed. Slam, the badger and his gang of bully boys are forever teasing, disrupting, and bullying Bertie and the group of faeries and woodland creatures. Pansy, the pixie is a new character in this third of the Fabled Forest series. She is a defender of reading, truth, and Bertie. Cheets, our beloved elf from past books joins the wrong crowd and his friends are worried that he will become the newest member of the Bully Boys. The story teaches gentle lessons about literacy, bullying and ageism. The book pays special homage to the classical fairy tales with appearances by little red riding hood, the wicked stepsister, the three little piggies and many more as they wander through the Fabled Forest.
