

## Alcohol Addiction: What You Need to Know If You Love an Alcoholic (Paperback)

By Patricia a Carlisle

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book contains proven steps and strategies on what you need to know if you love an alcoholic, and help you to assess how serious a drinking problem is. Many health professionals now consider alcoholism to be the largest single medical problem in the U.S. There may be few outward signs during the early stages of alcoholism. The person may be able to function fairly normally. Some personality changes may be apparent, for example, increasing conflict with family members, and an inability to handle stress. Another early symptom is an increase in the amount of alcohol a person needs to drink in order to get the same effect a lesser amount produced in the past. The alcoholic may also experience lapses in memory (blackouts), and feeling that a drinking pattern is getting out of control. In the final stages of alcoholism, the victim, while rarely deriving pleasure from alcohol, is unable to go for very long without a drink. One of the prime symptoms of alcoholism, and the symptom that makes the disease so hard to treat, is denial. The alcoholic is...
